## Celebrating 15 years of shade solutions!

ShadeWorks has been supplying the greater Nashville area since 2003.

Originally selling only retractable awnings, we have expanded the products we carry to help you use shade the way you want.

We aim to supply high quality products with top-notch installations. We want the job done once, and exactly how you want it!

Whether it be a patio that needs to be covered, or black out screens for the bedroom, see if ShadeWorks can help with your shade solution.

## Solving sun issues with shade solutions!

Take your patio to the next level with a motorized solar screen. A ShadeWorks' installed screen will add style and convenience, and will extend the use of your covered patio. Solar screens can transform your patio:

- Retain heat
- Block wind
- Cut down on rain
- Act as a privacy screen

Solar screens can be used in multiple ways, such as a black out screen for you interior as well. Call to see if this product is right for you!

Relax in the shade or have fun in the sun. Alter the way you view the outside with a **retractable roof** or **awning**. Lower the temperature on a patio up to 15 °F, and don't let the sun control your day. ShadeWorks also carries a large selection of interior products. From roller shades to plantation shutters, reinvent your interior with a wide selection of interior solutions.
